Name: MC5713Q5 Polytech Bib-Trousers

Code: 35208A

MC57 POLYTECH CLOTHING

Description

Bib-trousers made in 75% cotton, 24% polyester, 1% antistatic fibre fabric, weight 290 gr/m². Metal zipper closure, two front pockets with flaps and Velcro, back elastic waistband, rear pocket with flap and Velcro, elastic shoulder straps with quick-fastening buckles.

The Bib-trousers shall be worn in combination with the jacket.

- The Polytech New Generation series is made with a multi-purpose fabric that combines antistatic properties with resistance to flames, heat and chemical products.
- Thanks to its features it is multi-purpose, practical and resistant, breathable and comfortable.

In combination with the bib-trousers it is possible to wear our under garments: Carboflame undershirt art. 35285 and Carboflame underpants art. 35286, meeting the point A.2 of IEC 61482-2 which is stating that the electric arc protective clothing shall be used with under garments made of materials that would not melt with the arc.

The product is designed and manufactured to comply with the requirements of Directive 89/686/EEC.
It is classified as PPE Cat. III.

Category III	Colours Blue	Available Sizes 40-64
Quantity/Carton 50	Important Information Keep in a cool dry place, far from heat sources and direct light. Make sure the garment is in good condition, undamaged and clean before use.
